HIS LIGHT IN DYING JARS OF CLAY

Meditation Scripture: 2nd Corinthians 4:4-9 NLT

If the Good News we preach is veiled from anyone, it is a sign that they are perishing. Satan, the god of this evil world, has blinded the minds of those who don't believe, so they are unable to see the glorious light of the Good News that is shining upon them. They don't understand the message we preach about the glory of Christ, who is the exact likeness of GOD.

We do not go around preaching about ourselves: we preach Christ Jesus, the LORD. All we say about ourselves is that we are His servants because of what Jesus has done for us. It was GOD, who said, "Let there be light in the darkness," has made us understand that this light is the brightness of the glory of GOD that is seen in the face of Jesus Christ.

But this precious treasure--this light and power that now shine within us--is held in perishable containers, that is, in our weak bodies. So everyone can see that our glorious power is from GOD and is not our own. We are pressed on every side by troubles, but we are not crushed and broken. We are perplexed, but we don't give up and quit. We are hunted down, but GOD never abandons us. We get knocked down, but we get up again and keep going.

We are jars of clay. Everything but the right thing went into us. The jar (is our physical body) is made from the Earth (the dirt of the Earth). This proves that our bodies are filthy from the beginning. You or I had no righteousness in us, we started in darkness. We started out as dying jars of clay. If someone was to put clean water in us before we came to Jesus the water would be dirty. Glory to GOD, the water that goes into us today is purified by the fire and power of His Holy Spirit first. He is kindled in us. Jesus poured into us His fresh living water. John 4:13 says Jesus answered and said into her. Whosoever drinketh of this water shall thirst again. Jesus is talking to the Samaritan woman at the well and He is telling her that whoever drink of the water at the well will continue to be thirsty, but the next verse says: But whosoever drink of the water that I shall give him will never thirst; but the water I shall give him shall be in him a well of water springing up into everlasting life (John 4:14 KJV). He put his light in us. It's not a little shine but it is a like a high beam for everyone in our view and out of our view to see. He places it in us so that when we walk in the world, mankind will see that it is not of ourselves. The meditation scripture let us know that we may have problems on every side! Are these jars of ours

crushed? We may be puzzled by the things that are in our lives, but do we give up and quit? GOD FORBIDS! We are chase down by wickedness, our flesh and the sins of the world, but Glory to GOD! Glory! Our GOD will never, never abandons us. We may take a few blows to the head, face, stomach, knees, but Glory! We get up. Do you know why? Because of His power that comes in the form of light in shine in these dying jars of clay. So you look at those demons and every type of wickedness in whatever form they may come in today, you tell distraction, wrong thoughts, disobedience, hurt, frustration, stress, anguish, and pain that you will not take it no longer! You are not a jar filled with dirty water but your jar is filled with fresh living Water! Hallelujah!
